There is no "make-up" work policy because all course work must be completed before taking the final exam. For real estate prelicense there is a final exam requirement after all lessons are completed. You must pass the exam with a 75% in order to receive credit for the course.

If you do not pass the final exam, you will be allowed an exam retake. If you do not pass the retake exam, you will not receive credit for the course. **The CE Shop System:** The CE Shop System represents an entirely new approach to instruction administered using a computer. The primary feature that distinguishes this system from more traditional computer-based instruction (CBI) is that the system is designed around proven instructional strategies, rather than around the capabilities of the computer.

**How Our Course Monitors and Evaluates Your Progress and Provides Feedback:**

The CE Shop courses utilize the personal computer to perform the functions traditionally performed by the teacher. Using The CE Shop courseware, the computer becomes essentially a one-on-one tutor. It presents the material to be learned, provides adequate explanation to ensure that you understand what is being presented, and requires that you demonstrate your understanding through active participation in the learning process.

More importantly, it acts as a constant monitor of what you know and don't know and uses that information to dynamically adjust the presentation to meet your needs as you learn. The result of this process is that the courseware provides a fully self-contained instructional program that can adjust to your specific needs which may vary widely both in the amount of knowledge you bring into the learning session as well as your learning ability (i.e., how quickly you learn. In addition, no other resources (such as books or teachers) are normally needed to accomplish the educational objectives of a particular course.

**How to best take an The CE Shop course:**

Spending too much time in any one session will burn you out. Remember, our program actually challenges you to LEARN the material not just skim over text. So, we recommend you split up your effort into 30-40 minute sessions. You can do more than one session per day (recommended) but, try to do something everyday. The consistency of effort (particularly for any prelicense courses) is what will produce the best learning for you.

As you work on the course, your time in each lesson is recorded as well as how many questions are presented and how many attempts were required to answer the question

correctly. So, the learning system serves as a record of attendance and academic achievement.

**Refund Policy:** The school is committed to student satisfaction. If you are unsatisfied for any reason, The school will refund the purchase price of any course if the refund request is submitted within 30 days of purchase, prior to course expiration, and the course is not more than 50% completed.

Regarding **Exam Prep Edge**, the school will refund the purchase price of any Exam Prep Edge product if the refund request is submitted **within 30 days** of purchase **and if the initial assessment has not been completed.**

The school does not offer price adjustments on previously purchased items.

**Student Services, Rights, Privileges and Responsibilities:** Upon successful completion of a course, each student will receive an official completion certificate.
